## **President's Message by Walter McKenna**

As I write this last message to you as President of the EPOA, I think of all the issues and efforts that the board of the EPOA faced during the past two years. Many have said to me that in all their years of involvement in Garden City Village issues, they have never seen so many as in these past two years. I will not attempt to list or discuss the many important issues they are referring to; however, I would like to take this opportunity to express my appreciation to the Officers and Directors of the EPOA board and thank you for the opportunity to serve as your President. It was a pleasure working with you as a team during my term. Regardless of the issue, as concerned residents and board members, we came together, discussed all opinions on the issue and managed to do what we felt was best for the residents of our community. This is the lifeblood of the EPOA and what makes Garden City that special place that we all call home.

We live in a very unique Village where our local government and school district encourages our participation and seeks our opinions so that they can consider them when they make decisions that will affect us all. Many residents do not realize just how much of our Village and School District business is conducted in an open public forum that seeks participation from all residents.

I encourage all residents to go to the EPOA, Village or School District and Library websites where you will see the dates and times of all monthly meetings. Go to these meetings, listen, ask questions and learn so you can understand the issues and form your own opinions. Unless you actively participate in this process, you cannot fully understand the issues and appreciate the volunteer efforts of our Village Trustees, Dennis Donnelly and Nicholas Episcopia, as well as School Board President Colleen Foley or our Library Board Trustee, Elizabeth (Libby) Huschle, and the dozens of other resident volunteers who sit on the EPOA board, on various committees and commissions, and who work with both the Village and School District administration to help manage the many tasks related to Village and School District operations. We have many dedicated neighbors who invest numerous hours volunteering in these efforts, and we should be thankful for all of these individuals. I urge you to consider adding your name to the long list of volunteers in our Village—you will be glad you did!

With that said, I would like to congratulate Trustee Dennis Donnelly, in addition to the other Community Agreement Party candidates, on their elections as our representatives this past March. A record number of residents

The Budget

This year budget negotiations posed a difficult task in achieving an acceptable financial plan going forward for the 2011/2012 year. Upward pressure from increased pension costs (28%) and health care increases (14 ½%), coupled with decreases in revenues from the mortgage recording tax and interest income, meant that we had to shrink the expense side of the budget by significant amounts.

We did just that! We have reduced employees and continued a moratorium on new employees, plus each departmental expense was scrutinized and reductions were imposed. After many long hours, we reached an agreement on a 1.7% tax increase or about an annual \$98 per household.

When we compare Garden City to other villages, the difficulties become clear:

<u>Community</u>	<u>% Tax Increase</u>
• Bayville	20
• Lake Success	10.0
• Kings Point	9.8
• Great Neck	9.5
• Lynbrook	6.8
• Hempstead	6.3
• Rockville Centre	4.89
• Freeport	3.91
• Mineola	3.50
• Roslyn	2.94
• Garden City	1.74
• Long Beach	0
• North Hills	0

We will continue to closely monitor our results on a monthly basis to insure that we are meeting our financial goals.

The budget does include some funds to permit us to hire five new police officers. The new additions will help us with speeding in the Village, as well as overtime reductions.

St. Paul's

In a recent referendum the voters turned down a \$3,750,000 bond issue, the proceeds of which would have been used to demolish the main St. Paul's building and the adjacent Ellis Hall. The contract called for the ground to be completely cleared and made ready for seeding. The vote was 3,290 against and 1,120 for. At

the present time the Board of Trustees (BOT) has no specific plans for the building. We are, however, committed to carefully reviewing any proposal made by any internal or outside organization for a use which would preserve the building. At the present time, the majority of the Trustees are not prepared to give any one group authority over the process or the final decision. The majority on the BOT does not believe this is in the best interests of all the residents.

### **The HUB/Coliseum**

On May 11, Mayor Brudie, Village Administrator Schoelle and I (Nick Episcopia) attended a hastily called press conference at the Nassau Coliseum. It was run by County Executive Edward Mangano and featured speakers such as Town of Hempstead Supervisor Kate Murray and NY Islanders owner Charles Wang.

These three parties came to an agreement May 10 on a plan to replace the coliseum and build a baseball park to attract a minor league team. No other development plans were discussed. The essence of the plan is that the County would float \$400 million of bonds to build a new coliseum and a ballpark. The debt would be serviced by revenues from Islanders hockey and other events. The Islanders would sign a long term lease. There was no information about the ballpark developer or the baseball team.

The County Executive stated that a referendum would be held this *August* and all questions about the finances would be answered. There will be public hearings before the referendum. The proposed Shinnecock Indian Casino site would be shifted to Belmont Raceway from the Nassau HUB.

There are many questions that have to be answered, including the position of the Nassau Interim Finance Authority (NIFA) that controls Nassau's finances. No matter what the referendum says, NIFA at present has the final say on issuance of any bonds. The Village Board, and especially Dennis and I, will keep a close watch over this process and make sure this project is financially feasible, and does not adversely affect our quality of life.

### **Pool Redevelopment Plan**

At the last meeting a majority of the BOT voted to approve a \$2,200,000 bond issue for repairs and improvements to the pool. Besides the needed repairs to the main pool and the slide, the kiddie pool is to be expanded by approximately 1000 feet and a totally new interactive water play area is to be built. There is a serious leak in the kiddie pool and its continued operation without major repairs could jeopardize its future use. Other changes in the placement of certain shade structures and refreshment areas are being studied. This plan was vetted by the Cultural & Recreational Affairs Commission, as well as a 12 member sub-committee set up by the commission. Their findings were sent to all the POAs. They surveyed other Villages that have made similar types of improvements and were satisfied that these changes would be a benefit to existing members, and help to attract new users. Since the pool is designed as a self sustaining "enterprise zone," fees for family memberships will have to be increased by approximately \$80 to \$90 per annum to service the debt on the new bond issue.

### **Street Paving**

Our street and paving improvements are moving ahead, despite the delays caused by the very heavy snowfalls. The Community Park and Seventh Street lots have been resurfaced and the Fair Court lots should be completed in the next three to four weeks. The Franklin Avenue crosswalks are prepared for the final surfaces and the work is set to restart. All work will be done at night.

\*\*\*\*\*

*I want to thank all the residents who came out to vote on March 15. The record turnout affirmed the public's overwhelming support for the Community Agreement. Our Village has managed to avoid the partisan bickering that has saddled other villages in the county. Each member of the board is dedicated to doing what is right for our Village. Although we disagree on occasion, each of us strives to do what we think is the right course of action. So I thank all of you who voted for me. I will work diligently to keep our great Village financially secure and our residents safe from harm.*

*President's Message*

came out to vote in the March elections and proved that the spirit of the Community Agreement is alive and well in Garden City!

I would also like to thank Laura Brown for all of her efforts as the Trustee from the East on the School Board. Although Laura was forced to make the tough decision to resign from her position recently due to medical issues, while on the board Laura did her best to provide the EPOA with representation on the school board. On behalf of the entire board, I would like to thank her for her service and wish her the best in the future! This vacancy on the School Board was filled by the School Board's appointment of Tom Pinou. Tom has been very active in Village and School Board issues, most recently as President of the Western Property Owners Association. Tom and I have worked on many issues over the years in our POA roles and his dedication and desire to continue his volunteer efforts will be an asset to the EPOA as our representative.

Finally, I would like to thank the following directors who will leave the EPOA board in June. Their volunteerism and commitment to the EPOA over the years was greatly appreciated by me and the entire board and without their services we would not be able to fulfill our mission. These directors are Anthony Libertella, Frank Livoti, Thomas Logan, Cheryl McAuliffe and Robert (Rex) Wood.

The residents of the East should be assured that your fellow residents who volunteer their time to serve as members of the Board of the EPOA, as well as on the various committees and commissions in the Village, remain committed to protecting your interests and concerns. If you have any questions or concerns, or would like to become involved, I encourage you to contact the EPOA via the contact link on our website at [www.gcepoa.org](http://www.gcepoa.org) so that we can hear and respond to you.

Please support our efforts by becoming a member of the EPOA. Joining is easy (see page 11 of this Newsletter) or go to our website at [www.gcepoa.org](http://www.gcepoa.org). You can also go to our website for updates on other Village issues and to email us with your comments or concerns on ANY issues.

## **EPOA Awards Scholarship**

The Eastern Property Owners' Association has awarded a \$1,000 scholarship to Chaminade High School senior John Manning. As in prior years, the EPOA focused its scholarship search on college-bound high school seniors from the East with outstanding records of community service.

The highlight of John's community service is the 330 hours per year he has devoted since 2008 to Camp ANCHOR, a special needs camp for disabled persons. Calling it "the most rewarding time of my life," John has spent the past three summers and winter Saturdays caring for a different camper each day. He has been given increased responsibilities each year and recently was hired to be a staff member. John also participated in a special project to raise money for Camp ANCHOR, personally raising \$1,000 in a swim-a-thon.

John's other significant community service activities are teaching religious education for three years at St. Thomas the Apostle Parish and volunteering in an after-school program weekly at a parish school.

John runs cross country at Chaminade, participates in Sodality and Yearbook, where he is the sports editor, and has been on the honor roll for all four years and a member of the National Honor Society for the past two years. Before attending Chaminade, John was a student at the GC Middle School and St. Joseph School.

He plans on attending Georgetown University in the fall, where he will pursue a liberal arts education. "Among the many careers I am considering are teaching, sports management and journalism," John told the EPOA's scholarship committee. He was accepted at seven other colleges, including Villanova and Fordham Universities and the College of the Holy Cross. His parents are Tara and Michael Manning.

Congratulations, John, and thank you to all applicants for participating. Each of these young men and women were outstanding scholarship candidates with inspiring records of service to others.

## Cultural & Recreation News

by Andrew deLannoy

### *Come Hear an Update on the Pool Redevelopment Project*

Four residents from the eastern section, Michael Maloney, Marc Miner, Nicole Russo, and Bill Sweeney, have been working this past winter on the Pool Redevelopment Sub-Committee. Working in conjunction with the design team of deBruin Engineering P.C., they have been busy designing our next generation Village Pool

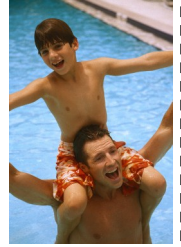

facilities. Come hear Kevin Ocker, Director of the Recreation Department, provide an update on the proposed Phase 1 and 2 plans for the redevelopment of this great facility at the June 6 EPOA Annual Meeting.

Overall goals of this project include the replacement of the wading pool, spray area and playground with an interactive water play area suitable for children up to 12 years old, as well as renovations to the slide and adult pool area. The project team has collected valuable input from committee members to formulate conceptual designs and construction cost estimates. Their next step will be to present the plans to the other Property Owners' Associations and current pool membership. Get a sneak peek at the Recreation Department's website [www.gardencityrecreation.org](http://www.gardencityrecreation.org).

The website is also full of events and seasonal reminders. Consult the website or our new Facebook page for:

## Hello Residents of the East and Members of the EPOA

*A letter from new School Board Trustee Tom Pinou*

To begin with, I would like to thank all those who supported my enthusiasm to join the Board of Education and to represent the East as your liaison School Board Trustee.

I have actually been a resident since 1999, but I moved into the western section in 2001. My wife Irene and I have two children (5 ½ year old twins-Andrew and Amanda), currently in kindergarten at Homestead School. I became active in the Western Property Owners' Association early on. Over the past 10 years I held various director positions, sat on many committees, then served two terms as treasurer, one term as vice president and finally completed my term as WPOA president last month. Since 2009, I also sit as a member of the ad-hoc committee to the \$36.5 million school investment bond.

Over the years I have had the privilege of making some lifelong friends. This includes people from the East, Central and Estates. This is the beauty of Garden City: you can meet many great people. In the past I have always offered myself to people outside of my section, which is why I personally feel privileged to represent the East. I enjoy speaking to everyone, but most of all I enjoy listening to those who offer ideas, suggestions or even a new way to look at something. People have always told me I am a good listener, as well as being honest and fair. These are some of the values I try to instill in my kids as early as this age.

Understandably there is always something to talk about in this town, and it's okay to disagree, as long as it's done in a respectful, constructive manner. Whenever a problem existed in the WPOA, I made every effort to present the real facts, work with many people on that issue and always offer a logical, well established solution. Volunteerism to me has always meant a willingness to help your friends and neighbors and to give back to the community.

By way of background I have over 20 years of professional engineering experience in the public and private sectors. I received my BS engineering degree in electrical, mechanical and computer technology from the New York Institute of Technology and began my career in the government defense industry. I have been in the information technology/telecommunications field since 1998 and have an extensive background designing and building business infrastructures and data centers.

Thank you for the opportunity to serve as your representative.

*Respectfully, Tom Pinou*

## Library News by Libby Huschle

This year has been especially busy for the library. Circulation has been up in all the departments, as has the attendance at programs. Many new audio and movie CDs have been purchased.

The library has introduced EventKeeper, a web-based service that enables the library to maintain its calendar of events online. EK offers online registration for children and young adult programs. EK Rooms allows staff, organizations and other patrons to request online meeting room reservations subject to availability.

Once again the library is gearing up for summer. The Children's Department is offering two Summer Programs: "One World Many Stories at Your Library" for children grades K through 5 and "Magic Carpet Riders Read-to-Me-Club" for children ages 2 1/2 to 5 who are not going to kindergarten in the fall. Registration starts on June 20 at 9:30 am.

Wednesday evenings will be family night. The first show is on June 22 at 7 pm, "The World of Stories with Agostino Arts." Tickets are required and will be available beginning Monday, June 11, at 9 am.

On July 13 and 20 the ever popular talent show will take place. Registration for performers entering grades K thru 5 begins on June 20. The movies "Gnomeo and Juliet" and "Storybook Classic: Tom Sawyer" will be shown on other Wednesday evenings.

Story times for Mother Goose, Toddler and Preschool children will be held on Mondays at 10 am, 11 am and 1:30 pm respectively. There will be no registration but space is limited. Please arrive promptly. Craft programs for this age group will be held on Tuesday mornings. Registration for those programs can be made online on Eventkeeper at [www.gardencitypl.org](http://www.gardencitypl.org).

The Young Adult Summer Program "You Are Here" is for middle school and high school. The theme is travel and the workshops "Vintage Travel Journal", Wednesday, June 29, and "Aboriginal Boomerangs of Australia", Wednesday, July 13, carry out the theme. Registration for the club starts on June 13 and runs thru July. Register in the Young Adult Department or online at [www.gardencitypl.org](http://www.gardencitypl.org).

The Friends of the Garden City Library is currently holding a membership drive. Please support them as they fund many of our programs.

Enjoy your summer. We look forward to serving you.

## Treasury Report by John Lattuca

The Garden City EPOA got off to another tremendous start in 2011, with over 650 households joining in the first four months of the year, and membership support continuing to grow each week.

As we progress into 2011, issues facing the Village and specifically the eastern section of Garden City continue to develop. To that end, communication continues to represent our largest and most important investment. Year-to-date, we have spent approximately \$4,175.00 in printing and mailing important communications, such as newsletters, voter cards and Village budget information to all residents of the east.

Most recently, we initiated our spring membership drive, which added over 40 memberships in the first two weeks of the campaign, as well as the annual election notification cards in preparation for the June 6 public meeting.

As of May 1, 2011, our assets totaled \$25,808.45, consisting of an FDIC insured checking account with a reputable bank in Garden City, and a bulk postage account with the Garden City Post Office. Our 2011 year-to-date expenses total \$8,487.48.

If you are an active member of the EPOA, we want to thank you for your support. If you are not currently a member, it is not too late to join this year. You can become a member by simply mailing your \$20 dues check, payable to the EPOA, to P. O. Box 7525, Garden City, NY 11530, or via credit card online at [www.gcepoa.org](http://www.gcepoa.org). By becoming a member of the EPOA, you will be joining an organization that will ensure we truly achieve our mission statement: "Progress through Participation."

Wishing everyone an enjoyable and safe summer season!

She is executive vice president of the Nassau County Young Republican Club and president of the GC Young Republican Club. Other activities include the GC Chamber of Commerce, GC Kiwanis and the American Kidney Fund. Earlier this year Nicole was awarded the "Outstanding Sorority Alumni Award" by Monmouth University for her philanthropic efforts since graduating.

**Debra Tennyson-Feinstein** and her husband, Ronald Feinstein, have lived in GC for three years. She has a long career teaching finance and economics at the university level, most recently as an assistant professor and program director at Hofstra University. Debra has a Ph.D. in health service administration and an MBA from the University of Alabama. Her undergraduate degree is from California State University. While living in other communities, Debra volunteered in civic projects such as grounds clean-up and library book sales, in addition to PTA and school programs. She served on the Children's Coalition of Greater Baton Rouge Health Committee and the School-Based Health Clinics Quality Assurance Committee.

Effective January 1, 2011, NYS law requires all local municipalities to take on the responsibility of dog licensing. GC Village Hall is ready to assist all residents with this process and answer any questions you may have. [Every dog is required to be licensed.](#) Visit Village Hall at 351 Stewart Avenue or call 465-4000 for more information. Get a GC tag and ID number for your family friend. An annual renewal notice and reminder for rabies vaccine will be automatically sent to you each year.

The Board of Directors of the Eastern Property Owners' Association has selected the following 20 candidates for election to the Garden City East (10 Member) Nominating Committee. These will be voted on by Resident Electors at the annual public EPOA joint meeting on Monday, June 6, 2011, at 7:30 pm in the main meeting room of the Garden City Public Library. This committee will propose candidates for Village-wide offices, Village Board of Trustees and School Board Trustees.

## Nominees for Garden City East Nominating Committee

**May Conti** has been a resident since 1971 and is a graduate of Fordham University. She retired from Willis Construction Services Corp in NYC in 2006 where she was assistant to the president and CEO. May has served as a director of the EPOA and on the Seven and Ten Member Nominating Committees. She is past president of the district-wide PTA and was a school board trustee from 1988 to 1994. May is also involved with St. Joseph's Parish, is a former president of the Religious Education Board and is a catechist for more than 20 years.

**Sue Ellen Davis** and her family have lived in GC since 1977. She was an EPOA director from 1997 to 2006, where she served as its liaison to the Environmental Advisory Board and monitored HUB development. Sue was a founding member of SAFE, the Subcommittee Against Freight Expansion. She has been an officer of Welcome Wagon and a board member of the GC League of Mercy Medical Center.

**John Delany** has lived in the East since 1971. He was a director of the EPOA for 9 years, served as the Library Trustee representing the East and was chairman of the Library Board of Trustees for 21 years. John has served on both the Ten and Seven Member Nominating Committees. A graduate of Villanova University and St. John's Law School, John is an insurance executive. He is married, has three children, including two daughters and five grandchildren living in GC.

**David Foxen** is a lifelong resident of the Village, graduating from GCHS in 1971. He has three children, who have

graduated from or who are now attending GC schools. David attended SUNY Brockport and has a graduate degree from the University of Massachusetts/Amherst. He has extensive financial experience and has worked as a bond trader for several large financial institutions. In addition, David is very active in the wrestling community, having wrestled for various U.S. and Olympic teams. He is currently an assistant wrestling coach at Port Washington High School.

Mary has and continues to volunteer in many professional, civic and charitable organizations. She is a former EPOA representative to the Recreation and Cultural Affairs Committee. Mary and her husband Ed have three children, all graduates of GC schools.

We greatly appreciate your membership in the EPOA. If you are not currently a member of the EPOA, we are asking you to join with your many neighbors and friends in the East who already belong to our 92-year-old civic organization that advocates for those residents who live in the Eastern section of our Village. We are, with 40 percent of the population, the largest section of Garden City and the largest of the four POAs.

## **EPOA Membership Drive 2011**

If you have not paid your 2011 dues, please consider supporting our efforts through your membership. It's as easy as writing a check for \$20, payable to the EPOA, and sending it to the Eastern Property Owners' Association, P. O. Box 7525, Garden City, NY 11530. Or you can go to our website—[www.gcepoa.org](http://www.gcepoa.org)—and follow the membership link, where you can pay online. These fees help fund newsletters, postcards, special communications (as needed) and EPOA polls and elections. If you give us your email address, we can send you timely updates and bulletins. We never share your email address.

Thank you from your friends and neighbors of the Eastern Property Owners' Association.
